Dear Friends,

I sincerely regret that my schedule does not allow me to attend the Allegany Arc's Business Recognition Luncheon in honor of National Disability Employment Awareness Month. I was pleased to receive an invitation to the ceremony, and will keep your accomplishments in my thoughts today.

Allegany Arc has a long tradition of providing training and job opportunities for people with disabilities. I commend the work of Allegany Arc in fulfilling its mission for people with disabilities to enjoy meaningful relationships with other, experience personal health and growth, live in the home of their choice and fully participate in their communities.

Our region is by far the best part of New York State. We have wonderful people, businesses, organizations and neighborhoods. I am proud to serve as one of your representative in the New York State Senate.

Again, I applaud the work of Allegany Arc in providing employment training and opportunities for workers with disabilities. I warmly and sincerely wish you great happiness and continued success. Please accept my best wishes and do not hesitate to contact me if I can ever be of assistance.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Cathy', written over a large, stylized blue circular flourish that loops around the signature.
